

Utility Committee Meeting
August 27, 2019

The meeting was called to order at 4:00 p.m. by Chairman Tyler Rasmussen.

Members present were Gleason, and Johnson. Absent was Minlschmidt (excused). Also present were WWTP Operator Stacy Shampo, Linda Title with the Advertiser Community News/Times Press, and Clerk Barbara Schuh.

Gleason shared it was requested by a DNR representative to have an official correspondence to change the Authorized Representative's name on the WWTP permit. It is currently in Mike Kwiatkowski's name. The name would be changed to the current WWTP Operator, Stacy Shampo. Shampo stated it is not unusual to have names change as Authorized Representatives. When staff turnovers happen, that has to be done per the DNR. A motion was made by Johnson/Gleason to recommend approving the change of Authorized Representative to Stacy Shampo. Motion carried.

A motion was mad by Johnson/Gleason to adjourn the meeting at 4:16 p.m. Motion carried.
